Nutrition Column

Vitamin B9 –

Folate -- What do you need to know --

also known as *folate* or *folic acid*, is a water-soluble vitamin essential for DNA synthesis, cell growth, and red blood cell formation. Key functions include: **Red blood cell production**: Helps prevent anemia.

Supports fetal development: Reduces the risk of neural tube defects during pregnancy.

Aids in cell growth and repair.

Folate Deficiency

Deficiency can lead to symptoms like fatigue, weakness, headaches, and anemia. Pregnant women with folate deficiency may have an increased risk of birth defects.

Dietary Sources of Folate

Folate is found in green leafy vegetables (like spinach), beans, lentils, citrus fruits, and fortified grains. Supplements are often recommended for pregnant women.

Supplementation Advice

Adults typically need 400 mcg of folate daily, and pregnant women should take 400-600 mcg. Always consult a doctor before starting supplements.

Meals are based on a No Added Salt (3-4 gm sodium diet) for healthy older adult. If you have a special concern regarding sodium, contact the Dietitian for guidance on managing your intake to meet your diet requirements. The nutrition information above does not include vegetables nor fruits. Vegetables - calorie 30 - 60 kcal, sodium 60 - 150 mg; Fruits - calorie 71 - 105 kcal, sodium 1 - 2 mg. Meals may contain allergens including milk, egg, fish, crustaceans, tree nuts, wheat, peanut, and soybeans; and, food ingredient that contain these proteins.

If you choose not to eat your lunch right away, please put it in the refrigerator immediately.

When you are ready to consume the lunch:

1.Slit the plastic cover open or peel it back

2.Re-heat in the microwave for 2-3 mainutes

3.Preheat oven to 350° then place container on cookie sheet and heat for 10 - 20 minutes. Do not heat over 30 minutes.

*Caution: containers should never be put into a toaster oven.

Note: Fruits and vegetables listed on the menu are subject to change due to seasonal availability. We reserve the right to modify an entrée for holidays or special occasions. Please watch out for small bones in your meal to avoid choking or discomfort while eating
